They will explore and grow their understanding and talent using clay, charcoal, oil pastels, chalk, markers, watercolor pencils and pain, acrylic paints, and more!	Grades K-2nd Wednesday, Jan. 23 - Wednesday, May 8, 2018 Accela reading workshops helps young children to reinforce the early learning process that are so necessary to lay the foundations for future reading, comprehending and writing skills. We use stimulating materials in a structured order to help children needing help in reading, writing, and spelling. A major focus of the program is based around phonetic awareness, helping the students to understand how to break the words into their component sounds. Our Enrichment programs allow our students to develop their reading comprehension skills at an accelerated pace.	Grades K-8th Thursday, Jan. 24 - Thursday, May 9, 2019 Art programs have the ability to develop the visual spatial skills in children, and allows for development of their skills in how to interpret and use visual information. All of our art work is done on canvas using mixed media, watercolors and acrylic paints and the child follows guided instructions while learning to focus on the details, hand eye coordination, problem solving skills and building confidence.	Grades 5th-8th Friday, Jan. 25 - Friday, May 10, 2019 Ivy Bridge Academy "Ivy League Debate" program provides an interactive learning environment that is both fun and educational. Students develop the art and science of persuasive fact-based debate, which fosters confidence and independent thinking. We are dedicated to helping students through critical thinking, effective communication, and ethical leadership. Your child will develop skills in competitive debate, logical thinking, persuasive speaking, oration, ethics, leadership, interviewing, reading, writing, research, and information processing. Students realize personal accomplishment and are invited to participate in tournaments (dates TBD).	Grades 5th-8th Friday, Jan. 25 - Friday, May 10, 2019 Ivy Bridge Academy "Public Speaking" program guides students through the techniques of public speaking, helping them to discover the gift of communication. They will learn to present a polished speech before their peers. They will go through fun and educational exercises and practice sessions that develop delivery skills, such as vocal variety, articulation, and voice projection. Ivy Bridge Academy's compassionate and fun instructors provide students the skills and practice necessary to build self-confidence and lessen anxiety that benefits them in academics and their future careers.
