

Fulton Academy of Science and Technology is seeking an experienced and well-rounded Lower School (K-4th grade) Assistant Principal to join our team!

### **About Us:**

Serving students in K-8, the mission of Fulton Academy of Science and Technology (FAST) is to provide an education based on innovation, design thinking and problem-solving with an emphasis on science, technology, engineering and mathematics (STEM) to children in the Fulton County community. FAST's goal is to prepare children in a way that provides them a foundation to be creative innovators and problem solvers so they are prepared for success and leadership in our rapidly changing world. By applying our background theme for academics, children will develop the foundations for learning and thinking that prepares them for success in post-secondary education and careers.

Fulton Academy of Science and Technology is committed to:

- Teaching the skills and habits necessary for success in the areas of STEM
- Recruiting, training and retaining excellent teachers
- Building partnerships between the school, parents and the wider community

### **Key Responsibilities:**

- Oversees the academic programs of the school, including development of lesson plans, curriculum maps, and the implementation of innovative instructional methods
- Coordinates all major assessment initiatives, including Measures of Academic Progress (MAP) and Georgia Milestones, and analyzes results to inform professional development initiatives to bolster student achievement
- Observes, mentors, and provides feedback in coordination with the supervision of teaching and learning among the faculty and staff
- Designs and leads weekly professional learning opportunities targeted to both school and individual learning goals
- Creates meaningful and lasting partnerships with the community and stakeholders, including the FAST Governing Board's Academic Committee and the school's Parent Teacher Organization
- Coordinate the selection and/or development of curriculum and support materials
- Implement effective systems to monitor academic progress of students
- Collaborate with Academic Support Coordinator to ensure that Special Education instruction, Student Support Team (SST) interventions, and academic support programs are aligned with instructional goals
- Attend FAST extracurricular events (Board meetings, job fairs, school functions, etc.)
- Assist the Principal in conducting selection and evaluation of teachers & staff

**Education and Training:**

- A minimum of Masters degree required.
- Valid GA Certification
- Design Thinking or Problem Based Learning experience preferred

**Compensation:**

As part of the FAST team, you will enjoy a full-time position with a competitive salary, medical, dental, and vision benefits, while working in a supportive and collaborative environment.

**To Apply:**

Interested candidates should send their resume and cover letter to [hr@fastk8.org](mailto:hr@fastk8.org).
