

# FAST After-School Enrichment Clubs - 1st Semester 2019-2020 School Year

MONDAY 3:45 - 4:45 pm 12 sessions Sept. 9 - Dec. 9, 2019	TUESDAY 3:45 - 4:45 pm 13 sessions Sept. 3 - Dec. 10, 2019	WEDNESDAY 3:45 - 4:45 pm 14 sessions Sept. 4 - Dec. 11, 2019	THURSDAY 2:45 - 3:45 pm 13 sessions Sept. 5 - Dec. 12, 2019	FRIDAY 3:45 - 4:45 pm 13 sessions Sept. 6 - Dec. 13, 2019
<b>MS. CRISTANCHO: BEGINNING SPANISH</b>  Grades K - 2nd  Ms. Cristancho, FAST's Kindergarten Paraprofessional, takes Kindergarten - 2nd grade students on a fun and educational exploration of the Spanish culture. Through immersion into the language, people, art and music, students gain appreciation of Spanish heritage while learning to speak the language. Ms. Cristancho, who has been a paraprofessional at FAST for the past 3 years and is skilled in classroom management and planning fun and educational activities that keep younger students learning and engaged.  <b>NEW</b> Register: email: ASPIre@fastk8.org or call Julie Fischer at 678-977-6303  \$235 (materials included)	<b>MR. VANDEL: AMAZING SCIENCE EXPERIMENTS</b>  Grades 3rd - 8th (groups based on grade level)  Mr. Vandel, FAST's 8th grade Science Teacher (and edible bug man at FAST's Fall Festival), is providing students a fun and safe opportunity to perform the coolest hands-on science experiments that are not done in the regular classroom. Students will explore Chemical, Physical, Earth and Biological science. Difficult concepts are easily explained – and the ability to interact with material builds knowledge and long term memory. Example activities include growing quills on a tin hedgehog, growing copper coral, creating colorful rain, making hot ice, etc. Before the Fall Festival help make chocolate covered bugs!  <b>NEW</b> Register: email: ASPIre@fastk8.org or call Julie Fischer at 678-977-6303  \$395 (materials included)	<b>DIGITAL MUSIC RECORDING</b>  Grades 3rd - 8th (groups based on grade level)  Love Music? Love writing poems, stories, lyrics? Curious about digital recording or making your own music? BTS Recording Arts allows students to create and record their own original music while learning and implementing digital recording techniques. Students use digital audio workstations like ProTools, Logic, and other music making software. Students learn about studio equipment, about microphones and which to use in different settings, even how to build a recording studio. All of this and more! Learn to create music from anywhere at your fingertips on your iPad (bring your iPad or use ours in class).  <b>NEW</b> Register: email: Jessica@BTSUCCESS.com or call Jessica Gardner at 813-546-7534 website: BTSUCCESS.com  \$399	<b>HANDS-ON MUSIC</b>  Grades K - 2nd  Southern Art Music provides hands-on music instruction in a fun setting for younger students with an interest in music, who have not yet begun playing an instrument. Lessons provide development of music-reading, interval ear-training, motor skills, etiquette necessary for ensemble music. The first three sessions focus on notation-literacy, identifying musical elements by staff reading and by sound, and improving motor coordination. The following ten units are hands-on, developing fundamental skills in Percussion, Violin, Ukulele, and Voice. Instruments are provided for classroom use.  <b>NEW</b> Register: call Joseph at 678-3106588 website: southernartmusic.com  \$350	<b>IVY BRIDGE ACADEMY: DEBATE</b>  Grades 5th - 8th  Ivy Bridge Academy "Ivy League Debate" program provides interactive learning that is fun and educational. Students develop the art and science of persuasive fact-based debate, which fosters independent thinking, confidence, and accomplishment. We facilitate students critical thinking, effective communication, and ethical leadership, and develop skills in competitive debate, logical thinking, persuasive speaking, oration, ethics, leadership, interviewing, reading, writing, research, and information processing. Tournaments (TBA).  <b>RETURNING</b> Register: email: ivybridgeacademy@gmail.com or call Susan Rhee at 404-519-7715 website: fastivydebate.com  \$280
<b>THE STEAM CLUB: ROBOTICK</b>  Grades K-8TH (groups based on grade and skill level)  Let's build a robot! Experience the fantastic, real world benefits of making and programming robots. In The STEAM Club's Robotick program, students will build robotic models, featuring working motors and sensors. They will program their models using cross-curricular, theme-based activities, and develop advanced STEAM skills. Multiple levels of projects including: Snap Circuits, Drone Tech, LEGO WeDo and WeDo 2.0, NXT and EV3. Students progress through levels at their individual pace and skill development.  <b>NEW</b> Register: email: jaime@thesteamclub.com or call Jaime Collins at 770-321-4078 website: thesteamclub.com  \$295	<b>WORLD LANGUAGE INSTITUTE: SPANISH</b>  Grades 3rd - 8th (groups based on grade level)  Spanish offers a specialized proprietary curriculum for your child, including a workbook, learning materials, online activities, and access to hundreds of language e-books. Our instructors are native speaking, highly trained, certified teachers, who provide a safe, friendly, and fun learning environment. We work together with students to build a foundation for lifelong language learning, and have been working with Fulton, Cobb, Dekalb, Gwinnett and Forsyth schools for 10 years.  <b>RETURNING</b> Register: email: asp@wilspeak.org or call Laura Manzardo at 678-242-8712 website: wilspeak.org  \$295 (workbook and materials included)	<b>DISCOVER SCIENCE: MINI MED SCHOOL</b>  Grades K - 5th (groups based on grade level)  Tonya Shearer, PhD, Marine Biologist and Director of Discover Science Center presents a mini med school for students interested in learning more about science, health, and the human body. Each class, developed by scientists and educators, includes knowledge development and hands-on learning activities. Every week we cover a new topic, from what our heart does and what makes up our blood, to how to use a microscope and learning what DNA looks like.  <b>NEW</b> Register: email: tonya@discoversciencecenter.com or call Tonya Shearer at 770-641-9336 discoversciencecenter.com/fast-after-school.html  \$280	<b>WORLD LANGUAGE INSTITUTE: MANDARIN</b>  Grades K - 8th (groups based on grade level)  Beginning Mandarin offers a specialized proprietary curriculum for your child, including a workbook, learning materials, online activities, and access to hundreds of language e-books. Our instructors are native speaking, highly trained, certified teachers, who provide a safe, friendly, and fun learning environment. We work with students to build a foundation for lifelong language learning, and have been working with Fulton, Cobb, Dekalb, Gwinnett and Forsyth schools for 10 years.  <b>RETURNING</b> Register: email: asp@wilspeak.org or call Laura Manzardo at 678-242-8712 website: wilspeak.org  \$295 (workbook and materials included)	<b>IVY BRIDGE ACADEMY: PUBLIC SPEAKING</b>  Grades 2nd - 4th  Ivy Bridge Academy "Public Speaking" program guides students through the techniques of public speaking, helping them to discover the gift of communication. They will learn to present a polished speech before their peers. They will go through fun and educational exercises and practice sessions that develop delivery skills, such as vocal variety, articulation, and voice projection. Ivy Bridge Academy's compassionate and fun instructors build students skills, self-confidence and lessens anxiety that benefits them academically and in their future careers.  <b>RETURNING</b> Register: email: ivybridgeacademy@gmail.com or call Susan Rhee at 404-519-7715 website: fastivydebate.com  \$280
<b>GUITAR</b>  Grades 3rd-8th (groups based on grade and skill level)  Southern Art Music offers beginning to advanced musicians looking to begin and continue to grow their understanding and talent in guitar. We use the Austin Classical Guitar Curriculum, which has been implemented in hundreds of schools through North and South America, Africa, and Europe. Our experienced classical guitarists guide students through the cutting-edge curriculum, along with our own proprietary supplemental materials. In most cases, students are able to play through the first piece of music by the end of only one or two classes!  <b>NEW</b> Register: call Joseph at 678-3106588 website: southernartmusic.com  \$350 + cost of instrument		<b>CHESS ATLANTA</b>  Grades K - 8th (groups based on grade and skill level)  International chess champion Carlos Perdomo offers students instruction based on individual skill in a fun, yet structured environment. Students learn effective tactics, how to use a chess clock, playing against a computer, chess puzzles, and participate in tournaments: Standard Chess, Bughouse (team chess) and Blitz (speed chess). Trophies are awarded for Class Champion, Most Improved, Sportsmanship Award, and every child completes the semester with a sense of motivation and accomplishment.  <b>RETURNING</b> Register: email: info@chessatlanta.com or call Carlos Perdomo at 770-845-0890 website: chessatlanta.com  \$280	<b>CREATIVE WRITING</b>  Grades 2nd - 6th (differentiated assignments)  For the enthusiastic or reluctant writer, Lori Sugarnan, M.Ed., writer and author of Plumdigitty: Developing Student Writers, improves attitude and writing skills using music, imagination and creative approaches to encourage thinking, grammar and written expression.  <b>RETURNING</b> Register: email: infultlume@gmail.com or call 678-778-0707 childrensyoogaandmore.com/creative-writers-registration  \$330	<b>HIP HOP &amp; JAZZ DANCE</b>  Grades K - 8th  This high energy class keeps kids moving while learning the fundamentals of hip hop and jazz dance! Classes emphasize technique, fitness and FUN, incorporating warm up, across the floor work, culminating in dance combinations to the latest kid-friendly hit music! Parent observation days allow dancers to share their hard work with friends and family. Dancers have the opportunity to perform in a end of year stage recital!  <b>RETURNING</b> Register: email: platinumspa@gmail.com or call Meg at 770-5954054 website: platinumschoolperformingarts.com  \$200
		<b>THE STEAM CLUB: FINE ARTS</b>  Grades K - 8th (groups based on grade level)  Join The STEAM Club Artists for this mixed media creative program. Art a la Carte is focuses on the creative process and confidence building! ALL NEW curriculum every semester with new projects each week. Students are provided differentiated instruction using artist quality tools and materials, included in the cost of the program. Students explore and grow their knowledge and talent using clay, charcoal, oil pastels, chalk, markers, watercolor pencils, paints, and more!  <b>RETURNING</b> Register: email: jaime@thesteamclub.com or call Jaime Collins at 770-321-4078 website: thesteamclub.com  \$295	<b>BROADWAY STARS MUSICAL THEATER</b>  Grades K - 8th  Was you child born to be on stage? Let their inner star SHINE by enrolling in the Broadway Stars Musical Theater Class, offered by Platinum School of Performing Arts. During each session, students work on scenes and songs from popular kid-friendly Broadway musicals. Each student will receive a part, sing, act, and dance their way into your heart! Each semester culminates in a performance for family & friends, with simple costumes and props provided. Join the fun with others looking to reach stardom too!  <b>RETURNING</b> Register: email: platinumspa@gmail.com or call Meg at 770-5954054 website: platinumschoolperformingarts.com  \$215	<b>TICKLED IVORIES PIANO</b>  Grades K - 3rd  Tickled Ivories provides students an introduction to piano, by encouraging musical exploration, discovery, imitation, and creativity. Lessons consider stages of children's growth, development and individual learning styles. Students establish a deep and complex root system for future music study while developing a strong musical foundation and proper pianistic habits through notation, musical symbol recognition/application, rhythm hands-on keyboard, ear training, sight-reading, composition, and technique. Recital held at end of each semester.  <b>RETURNING</b> Register: email: micheleguillory.tickedivories@gmail.com or call Michele Guillory at 985-705-1372 website: tickledivories.com  \$285 + \$25 book fee
			<b>ART ON CANVAS</b>  Grades K - 8th *** This club begins Sept. 26 ***  Art on Canvas helps develop the visual spatial skills in children. All of our art work is done on canvas using mixed media, watercolors and acrylic paints. Students follow guided instructions while learning to focus on details, hand eye coordination, problem solving skills and building confidence. *** Note: This club is 10 sessions ONLY from September 26 - December 12 ***  <b>RETURNING</b> Register: email: rama@acceleaeducation.com or call Rama Sharma at 404-384-1061 website: acceleaeducation.com  \$285 (includes canvases and materials)
