Fulton Academy of Science and Technology

MISSION

The mission of Fulton Academy of Science and Technology (FAST) is to provide an education based on Design Thinking and problem-solving with an emphasis on science, technology, engineering and mathematics (STEM) to Kindergarten through 8th grade in the diverse community of Fulton County. FAST's goal is to educate children in a way that provides them a foundation to be creative innovators and problem solvers so they are prepared for success and leadership in our rapidly changing world.

Defining Characteristics of FAST

Parent Designed and Governed

The concept behind FAST was developed by parents of current students in North Fulton. Parents in today's workplace recognize a call to action in the way children are educated. While school systems may demand higher competency as evidenced by test scores, the workplace demands creativity as well as subject matter competency. A poll of fifteen hundred CEOs from sixty nations identified creativity as the top leadership competency of the future. In *How Google Works* Google cofounder Larry Page laments that "people haven't been educated in moonshot thinking. They tend to assume things are impossible, rather than starting from real-world physics and figuring out what's actually possible." FAST will provide students a rigorous STEM foundation and the opportunity for creativity and 'moonshot thinking' by integrating design thinking into all subject areas.

Innovation and STEM Orientation

STEM certification is rapidly becoming a base layer in education, as opposed to a differentiator, as more schools work toward certification. FAST believes our children must be able to think critically, develop deep and meaningful understanding of the world around them, and create innovative solutions to problems. Focusing on STEM content only gets our children to the starting line. Creativity and innovation will get them into the race to win. Children today have lost the tolerance to fail and to iterate. To overcome this FAST will focus on a growth mindset to develop the habits of perseverance, intellectual curiosity, and creativity in our students. FAST will add one hour each day to the school schedule, four days per week for an innovation class for all grades. Our technology class will have a focus on coding as FAST believes this is the universal language of the future and the best way, for those who are or are not college bound, to obtain a great career after high-school graduation. FAST will have a capstone project for 8th graders lasting one year that will give each student the opportunity to demonstrate their ability to innovate, design, and problem solve with real world applications.

Dear Fulton Academy of Science and Technology Community,

Welcome to **Fulton Academy of Science and Technology (FAST)** and the 2019-2020 school year! It is no secret that our world is rapidly evolving and the demands being placed on schools have never been greater. The students we have today are being prepared for a future that is mostly unknown to us. The mission of FAST is to provide students the opportunity to develop those important cognitive by designing an incredible learning experience rich in innovation, STEM, design thinking, and project-based learning.

FAST has many unique characteristics, including curricular models designed to nurture our innovation competencies and provide organic opportunities for students to create solutions to problems through exploring their passions. Both Singapore Math and the Technology and Innovation Hour gives students the foundations to mathematical concepts and scientific reasoning through projects that require creative problem-solving and a bias toward action. Students will have the opportunity to further exercise their innovation competencies each week. Students will explore their curiosity and conduct empathy and prototyping as they design real-world solutions to human-centered problems by incorporating Design Thinking into their collaborative learning process. Through Arts and Technology, students will enhance their creativity and express their unique personalities with art, music, drama, industrial design, and coding.

Please carefully read the handbook in its entirety and keep it readily accessible throughout the school year. The FAST Community believes in nurturing a positive collaborative partnership between the school and the families. Changes to policies are noted with a NEW burst.

You have many excellent education options in Fulton County and we are glad you have chosen to join the FAST family. We look forward to a great school year with you and your children.

All The Best,

Stan Beiner, Principal

The Fulton Academy of Science and Technology Experience

In accordance with the guidelines and policies set forth by Fulton County Schools, these are the official policies and procedures for the 2019-2020 academic school year at Fulton Academy of Science and Technology.

AFTER SCHOOL PROGRAM (ASpire)

FAST will offer an after-school program (ASpire) for the convenience of families needing student supervision beyond school hours. Students enrolled in ASpire will be provided a healthy snack, homework help, access to computers, structured fitness activities, and fun educational games. Our program offers students an educational, engaging, and safe after-school experience that is led by skilled and impassioned staff. The ASpire calendar will follow the FAST school calendar, and students will go directly from their classroom to ASpire upon dismissal. Students must be picked up no later than 6:30 p.m. daily, or a late fee of \$1 per minute will be charged thereafter. If your child is enrolled in an after-school club, they will go directly to the club's location upon dismissal, and then to ASpire. Please see the FAST website for more information regarding ASpire and enrollment, and email Ms. Fischer, ASP director, with questions (julie.fischer@fastk8.org).

AFTER-SCHOOL VENDOR CLUBS

Students will have the opportunity to participate in After-School Vendor Clubs at FAST to personalize their learning even more. ASpire has contacted local companies to provide quality enrichment programs at reasonable fees that do just that! As this is an optional program, students will pay a reasonable fee to cover the cost of the curriculum and the teachers for programs outside of competition clubs. Students who are not enrolled in ASpire Extended Care must be picked up promptly upon dismissal from club end times. Students who are not picked up will be directed to ASpire Extended Care and parents will be charged \$1 per minute thereafter.

FAST administration will be communicating information regarding FAST Competition Clubs (i.e., Math Olympiad, Science Olympiad, etc.). Most ASpire Enrichment Clubs are non-competitive, and are intended to discover and broaden the unique interests and talents of your child. Extended Care and tuition is separate from ASpire Enrichment Clubs and FAST Competition Clubs. If you have a child in ASpire Extended Care, you may register your child for clubs, and we will provide extended care following club activities. Conversely, if your child is not in ASpire Extended Care, you may register your child for clubs, and pick up your child from school immediately following dismissal from club activities.

ATTENDANCE

Attendance is vital to your child's academic success. Students should attend school every day that their health allows. In order to protect your child's instructional and innovation time throughout the day, it is encouraged that you schedule appointments before or after school, and family vacations be scheduled during designated school closings. These days can be referenced on our school calendar appearing on page 9 of the parent student handbook. Fulton Academy of Science and Technology recognizes two kinds of tardies and absences: excused and unexcused.

Tardies

As stated above, Fulton Academy of Science and Technology recognizes two kinds of tardies: excused and unexcused. The school day begins at 7:40am. Students can arrive at school beginning at 7:10 a.m., but not before this time. This is to ensure faculty and staff have arrived and supervision is present. **Any child not in their homeroom by 7:40am. will be marked tardy. A parent/guardian must sign the child in at the front office if they are arriving tardy.** The only tardies that will be excused will be if a student has a doctor or legal note. If a child arrives past 11:15 a.m., he or she will be counted absent for the school day. Students arriving by school bus that arrives late will not be counted tardy. For carpools arriving late, the carpool driver must come into the school and sign the students in late at the front office.

Tardies will be excused for students arriving late due to circumstances beyond one's control including inclement weather, documented transportation delays, health related emergencies, power outages, or compliance with a court order, etc. Tardies will be unexcused for students arriving late with or without the knowledge of a parent/guardian as a result of oversleeping, traffic, parent errands, or other reasons not defined as excused. Please be advised that 3 unexcused tardies will result in the student receiving an absence, and 15 unexcused tardies will result in the student's referral to the school's social worker.

Parents/ Guardians must accompany their children to the front office to sign in upon late arrival. Students who are tardy or late to school, should receive a tardy slip when they check in with the front office. Class tardies will be issued when students are late to class. They are to give this slip to their teacher when they arrive to class. Consistent tardiness will result in a student receiving disciplinary consequences according to the Fulton Academy of Science and Technology Code of Conduct.

Absences

At Fulton Academy of Science and Technology, we understand that students may miss school due to illness or other circumstances. Any student who has been absent from school must present a written note or e-mail to the front office or the student's homeroom teacher within 3 days of returning to school. A student's absence will be excused if due to any of the following circumstances:

1. Personal illness of the student.
2. Attendance at school would be detrimental to the health of the student or others.
3. A serious illness or death in the student's immediate family necessitating absence from school.
4. Compliance with a court order or an order issued by a governmental agency.
5. Observance of religious holidays, necessitating absence from school.
6. Conditions rendering attendance impossible or hazardous to the student's health or safety.
7. Absences not exceeding a cumulative total of six (6) days per school year for the following reasons, but only if the absence has been preapproved by the principal or designee:
 - a. travel opportunity with educational benefits
 - b. graduation or wedding of an immediate family member
 - c. specialized educational experience
 - d. other circumstances that are mutually agreeable to the parent and principal
8. Up to ten (10) instructional days (60 instructional hours) per year for school-sponsored, non-instructional activities (defined as functions during the school day that are under the auspices or sponsorship of a school or the school system) that are specifically approved in advance by the principal or designee. The principal shall ensure that an accurate record of all such absences is maintained.
9. School days missed as a result of an out-of-school suspension.
10. Serving as a Page in the Georgia General Assembly: Students serving as pages in the Georgia General Assembly shall be recorded as present.

Unexcused Absences (UNX)

A student's absence from school or class for any reason other than those listed above will be considered an unexcused absence (UNX).

Extended Absences and Attendance Referral Process

All students with 10 or more total absences must submit medical excuse notes from their doctors upon returning to school from illness or the absence will be recorded as unexcused (UNX). If the absence is not due to illness, then another legal excuse must be submitted upon the student's return to school or the absence will be recorded as unexcused (UNX) e.g., an excuse from a funeral director for absence related to death of an immediate family member.

FAST administrators will follow the following protocol in addressing instances of excessive unexcused absences:

- Three (3) unexcused absences: Teachers will communicate with parents regarding student attendance via e-mail, phone, parent conference. Documentation will be kept by teachers throughout the school year.
- Five (5) unexcused absences: FAST will contact parents through one of the following: Telephone call, letter, and/or email.
- Seven (7) unexcused absences: A School Social Work referral will be generated by the principal or his/her designee listing specific school based interventions (telephone calls, letters, conferences, etc.) that have occurred prior to making the referral.
- Ten (10) or more unexcused absences: Students and/or parents will be subject to a referral(s) to juvenile court, magistrate court and/or Department of Family and Children Services for truancy and/or educational neglect. Detailed information pertaining to the student, local school and school social work interventions will be necessary when filing a Complaint with DFCS, Juvenile and/or Magistrate Court.

Truancy

Any child, between the ages of 6 and 16, who is subject to compulsory attendance and has more than five days of unexcused absences during the calendar year is considered truant. Truancy shows a deliberate disregard for the educational program and is considered a serious matter with immediate consequences.

- After 5 unexcused absences: The parent/legal guardian will be notified by the school administrator. After two reasonable attempts to reach the parent/guardian without response, the school shall send a letter with a signature and return receipt requested.
- After 10 unexcused absences: A letter will be sent home from the school administrator to the parent/legal guardian regarding attendance. In addition, a referral shall be made to the school social worker.

When administrative actions to correct truancy prove ineffective, the school may file proceedings in court and furnish evidence for noncompliance with state attendance laws.

Early Checkout

To be considered in attendance for a school day, a student must be present for at least one-half of the school day (11:15 a.m.) Students leaving school before meeting this requirement will be considered absent for a school day. A parent or guardian is required to bring appropriate documentation for early checkout at the time the student is released from school. Early checkouts will not be permitted during the last 30 minutes of the school day.

Make-Up Work

Missing school does not eliminate a student's classroom and assignment responsibilities. Students will have the same number of days they missed school to make-up their assignments. It is the responsibility of the students and parents to check teacher web pages daily and collect missed assignments. Parents should not email or call the front office and teachers regarding assignments, unless clarification is needed for an assignment or information posted on a teacher's web page.. Long term absences should be communicated to the student's teachers, and assignments given prior to a long term absence will result in the assignment being due on the original due date or the first day back to school for the student.

Program for the Education of Children & Youth in Transition

The Program for the Education of Children and Youth in Transition assists children and youth under the [McKinney Vento Act](#) in homeless situations to gain access to a free and appropriate public education. This may include assistance with identification, enrollment, records, assuring referrals are made to appropriate services for immunizations and coordinating services between state and local service providers.

CODE OF CONDUCT

At Fulton Academy of Science and Technology, we value the learning journey and recognize that a safe and positive school climate contributes to the overall success of each student. In order to maintain this climate, it's imperative that a strong collaborative relationship is formed between the school and FAST families regarding student behavior and discipline. It is our goal to maintain communication with parents/guardians at the onset of discipline problems to ensure positive alternatives and behavior strategies are created so students can experience continued success at home and in school.

We hold our students accountable for their own behavior, and we expect students to behave in accordance with the Fulton County Schools Code of Conduct at school and in extracurricular events. In agreement and support of Fulton County Schools core discipline values, we believe the ultimate goal of discipline is self discipline. The school will nurture the development of positive behavior skills and will use restorative practices in maintaining positive and healthy relationships with our students. Students must make wise choices, and students who make poor choices cannot, and should not, place blame on others or the environment. Students proven to be encouraging, planning, assisting, benefiting, or participating in the violation of a rule or the Code of Conduct will be held accountable to the consequence of the violation(s), as they have acted as parties to the violation.

At the core of the FAST Behavior Tenets is the ideal that all students will show courtesy, consideration, and will work cooperatively with their fellow peers. We want all students to be aware of and considerate of each other's differences. Through words, actions, and expectations, the FAST community acknowledges and accepts all members. We value a community that is collaborative and responsive to the needs of its members and of the larger world. The collective group of students, teachers, and parents will respond/react to individuals and groups with a shared interest in determining the best course of action to meet academic, social, and emotional needs. When this does not occur, in certain instances, FAST administrators will facilitate a peer-to-peer conflict resolution meeting where the students involved will be encouraged to and learn to have open and honest communication with each other and to do so in a mannerly and supportive demeanor. The conflict resolution meetings may be used in lieu of other consequences.

*Use of recording devices to record misbehavior or to violate the privacy of others may also result in a violation.

Rule 19. Gang Related Activity (Responsibility/ Caring/ Fairness)

A “gang” is defined as any group of three or more people with a common name or common identifying signs, symbols, tattoos, graffiti, attire or other distinguishing characteristics which engage in “criminal gang activity” as described in O.C.G.A. 16-15-3(1)(A)-(J) (including but not limited to the commission, attempted commission, conspiracy to commit, or solicitation, coercion, or intimidation of another person to commit offenses such as, but not limited to, rape, aggravated sexual battery, violence, possession or use of a weapon, or trespass or damage to property resulting from any act of gang related painting on, tagging, marking on, writing on, or creating any form of graffiti on school or personal property).

- A. A student shall not engage in criminal gang activity.
- B. A student shall not hold himself or herself out as a member of a gang, which may include, but is not limited to, displaying gang identified tattoos or other gang related paraphernalia, or participating in creating or displaying gang related graffiti.
- C. A student shall not recruit or solicit membership in any gang or gang-related organization.

Rule 20. Interference with School Bus (Responsibility/ Respect/ Citizenship)

All code of conduct rules apply on school provided transportation and at school bus stops. Students may not violate any direction of the school bus driver. Students may not disrupt the environment of the bus or bus stop in any manner, including but not limited to: loud or boisterous behavior; failure to remain silent at railroad crossings; using emergency exits improperly; riding an unauthorized bus; disembarking at an unauthorized stop; throwing objects in the bus, or into or out of the bus; extending body parts or objects outside of the bus; drinking/eating/chewing gum; interference with FAST recording equipment; and failure to remain seated.

Additionally, students are prohibited from using items during the operation of a school bus in a manner which might interfere with the school bus communications equipment or the school bus driver's operation of the bus. These items include but are not limited to cell phones; pagers; audible radios; tape or compact disc players without head-phones; mirrors; lasers, or flash cameras. (Consequences may include confiscation of device.) Cell phone use will not be allowed during the operation of the bus because it interferes with the operational technology. However, cell phones may be used with the special permission of the principal, supervising teacher, or bus driver while the student is on the bus waiting to depart the starting location or when the bus returns to its final destination after athletic events, fields trips, or other special situation deemed appropriate by the principal, supervising teacher, or bus driver. (See also FCS Bus Conduct Policy)

Rule 21. Off-Campus Misconduct (Responsibility/ Citizenship)

Off-campus misconduct for which a student may be disciplined includes, but is not limited to, any off-campus conduct which could result in the student being criminally charged with a felony, or felonious conduct for which a student has been arrested, criminally charged/indicted, adjudicated to have committed, or convicted; and conduct which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

The FAST administration must be notified, and the local police officer may be notified of such incidents.

Rule 22. Encouraging Violations of Code of Conduct (Responsibility/ Respect/ Caring)

Incite, urge, encourage, advise, or counsel other students to violate any Rule of this Code of Conduct or conspire to violate any Rule of this Code of Conduct. O.C.G.A. § 20-2-751.5(a)(11).

Part 2: Disciplinary Hearing and Appeal Process

A. Discipline Team Meeting (DTM)

When a Principal recommends a long-term out of school suspension/expulsion, and the disciplinary

hearing may potentially be waived, a Discipline Team Meeting (DTM) will be offered to the parent/guardian within 5 school days of the first day of suspension. The student may be invited where practicable. The principal/designee will notify the office of the Student Behavior Specialist, or superintendent's designee, as soon as practicable after the investigation of the occurrence. The principal/designee should furnish the following documents to the Student Behavior Specialist or Superintendent's designee, before or at the time of the DTM: witness/student statements; a current copy of the student's permanent record; a copy of the student's test record card; current status of the student's academic and conduct grades in all classes (progress reports); days present and absent (excused and unexcused absences); number of tardies and class cuts; detention assignments with reasons; anecdotal report citing discipline, attendance and academic records, and interventions offered at the local school including SST referral, counseling sessions and parent/guardian conferences with dates, reasons, and results; copy of police report; special education, Section 504 or SST status (active enrollment or referral for any of these programs); SST reports; copy of the currently approved suspension letter that includes the school administration's recommendation for consequences, and any other information or evidence relevant to the incident.

The purpose of this meeting is for the team to discuss the investigation completed by the school, the discipline procedures afforded, and any information provided by the student and/or the parent/guardian. As this is a parent conference, the student's or parent's legal counsel may not attend. The FAST Administration and Governing Board may set a reasonable time limit for the DTM, and may end the DTM if it is evident that resolution is not imminent. If the parent/guardian and school are able to reach an agreement about the disciplinary outcome and the parent/ guardian waives the hearing in writing, then the hearing will be canceled. If the parent/ guardian disagrees with the disciplinary outcome and the end result of the DTM, or the parent/guardian does not attend the DTM, then the hearing will proceed as scheduled.

A. Disciplinary Hearing

Hearings will be held as noted in this procedure and/or as required by applicable authority. Any recommendation of long-term suspension/expulsion/ alternative school will result in a hearing being scheduled for a student. The hearing should be held within ten (10) school days after the first day of suspension.

Any confiscated drugs, weapons or other criminal evidence should be transferred to the Chief of the Fulton County School Police for use during a disciplinary hearing and/or criminal case.

Group Hearing:

When students are charged with violating the same rule(s) and have acted in concert, and the facts are basically the same for all students, a group hearing may be conducted for them if the FAST Administration believes that the following conditions exist:

- (a) A single hearing will not likely result in confusion and
- (b) No student will have his/her interests substantially prejudiced by a group hearing.

Any student who objects to participation in a group hearing should notify the FAST Administration in writing no less than 48 hours before the hearing. If during the disciplinary hearing, the hearing officer finds that a student's interests will be substantially prejudiced by the group hearing, he/she may order a separate hearing for that student.

Written Notice of Hearing:

When long-term suspension/expulsion and/or alternative school is recommended by the school, a disciplinary hearing is required. The school shall provide written notice of the relevant procedures to the student's parent/guardian/student age 18 or older. The notification shall include the following:

- A. A brief statement of the act(s) student is alleged to have committed, along with the portion of the Code of Conduct allegedly violated.

- B. The maximum penalty which may be administered for the alleged misconduct, and a recommendation for discipline.
- C. A copy of this document.
- D. The date, time and place of the hearing.
- E. The names of witnesses expected to be called at the hearing and a short summary of evidence that may be presented.
- F. A statement that a hearing is required unless the parent/guardian/student 18 years old or older waives the hearing.
- G. A statement that at the hearing the student is entitled to be represented by an advocate (spokesperson) of his/her choice, including an attorney if so desired; and that the student may subpoena witnesses and utilize other compulsory process upon request.
- H. A statement that all parties are afforded an opportunity to present and respond to evidence and to examine and cross-examine witnesses.

Delivery of Notification:

The notice of hearing shall be delivered to the student and his/her parent/guardian either in person, by first class mail, certified mail return receipt requested, and/or delivery confirmation, to the last known address of the parent or guardian. If notice is delivered in person, a written confirmation of delivery should be obtained by the person delivering the notice to the parent/guardian. Service shall be deemed to be perfected when the notice is deposited in the United States mail with sufficient postage addressed to the last known address of the parent/guardian.

Continuance:

If good and sufficient cause exists, the FAST Administration may reschedule a hearing. Upon rescheduling, written notice of the rescheduled date and time of the hearing will be sent to the student's parent/guardian/representative/attorney/ student age 18 or older either in person, by first class mail, certified mail return receipt requested, and/or delivery confirmation.

The student's parent/guardian/representative/attorney/student age 18 or older may request a continuance of the hearing from the FAST Administration. Continuances should be requested no later than 24 hours in advance of the scheduled hearing date and time. Extenuating circumstances should be presented to the FAST Administration for approval. If a continuance is requested or caused by the parent/guardian/student age 18 or older/student's representative, the student will continue to serve his/her recommended school level discipline (ISS or OSS) during the time of the continuance and until the hearing is conducted and FAST Administration and Governing Board has rendered a decision.

Waiver of Hearing:

If the student's parent/guardian/representative/ attorney/student age 18 or older waives the hearing, they may do so by requesting a waiver from the school prior to the notified date and time of the hearing. If no waiver request is received, or if the hearing may not be waived by the student's parent/guardian/ representative/attorney/ student age 18 or older, the hearing will be held as scheduled, whether or not the student/parent/guardian/representative/attorney chooses to participate.

Record of Proceedings:

- A. A verbatim record of the hearing shall be made and shall be available to all parties upon request. The cost of recording shall be borne by the Governing Board. Parents/guardians/student's legal counsel may request a copy of the recording.
- B. A written transcript will be prepared by the District if the Board so requests; or if the decision of the Board is appealed to the State Board of Education. If a written transcript is not prepared by the District, the parent/guardian/ student may obtain a written transcript at their own expense.

Burden of Proof:

The burden of proof is a preponderance of the evidence (more likely than not) and shall be on the school.

Legal Representation/Involvement of an Attorney at the Disciplinary Hearing:

If the student is represented by an attorney, the Board attorney may be present. The Board attorney shall advise FAST as necessary. The student/parent/guardian must notify the FAST Administration not less than 48 hours prior to the hearing if the student may be represented by an attorney. Failure to give such notice can result in the hearing being continued so the Board's attorney may be present.

Presentation of Evidence:

The evidence for the school and student/student representative (if present) shall be presented to the Hearing Officer. The administrator representing the school, the Board attorney, the student's representative, the Hearing Officer, and the Hearing Facilitator are entitled to question witnesses about any matters which are relevant to the charges against the student or the appropriate discipline. The Hearing Officer or Hearing Facilitator has the authority to limit unproductively long or irrelevant questioning.

Procedural Objections:

Objection to the sufficiency of the notice and/or other procedural objections shall be waived unless written notice thereof is filed with the FAST Administration no less than 24 hours prior to the time the hearing is scheduled to begin. The hearing may be postponed until such defects have been removed or remedied.

Hearing Officers and Hearing Facilitators:

Disciplinary Hearings may be conducted by a Student Discipline Hearing Officer or Hearing Facilitator.

The Hearing Officer will serve as the presiding officer and may rule on issues of procedure and admissibility of evidence presented during the hearing, if no Hearing Facilitator is present. A Hearing Facilitator, if *present*, may serve as the presiding officer and may rule on issues of procedure and admissibility of evidence presented during the hearing.

The Disciplinary Hearing Officer after conducting the hearing and receiving all evidence, shall render a decision based solely on the evidence received at the hearing and shall determine what, if any, disciplinary action shall be taken. Such action may include, but is not limited to, assignment to an alternative school, short-term suspension, long-term suspension, expulsion or permanent expulsion.

Appeals:

Any party may appeal the hearing decision to the Board by filing a written notice of appeal within twenty (20) calendar days of the date of decision. The appeal should be addressed to the attention of the Principal and delivered to the FAST Administration. Appeals via email alone may be accepted but appealing parties must confirm receipt with the FAST Administration within the 20 calendar day appeal timeline. Appeals by administration must be approved by the Governing Board. The Principal shall have the authority to suspend the decision of the disciplinary hearing officer, during the period of appeal to the Board. Upon the appeal of a decision of the disciplinary hearing officer to the Board, the Board will render its decision within 10 days, excluding weekends and public and legal holidays, from the date the Board receives notice of the appeal, unless all parties agree to a different date. The decision shall be in writing and a copy shall be provided to the student/parent/guardian, and the Principal.

The Board will discuss the appeal in Executive Session. The parties shall have the right to be represented by legal counsel during the appeal. The Board's review will be based solely on the record and written arguments submitted by the student and the FAST Administration, if briefs are submitted. The Board shall not hear any oral arguments as part of any appeal nor shall it consider any evidence that was not presented at the disciplinary hearing. The Board may take any action it deems appropriate. Either party may appeal the Board's decision in accordance with state and local laws and regulations.

Students with Disabilities

Nothing in this Code of Conduct shall be construed to infringe on any right provided to students pursuant to the federal Individuals with Disabilities Education Act, Section 504 of the Federal Rehabilitation Act of 1973, or the federal Americans with Disabilities Act of 1990.

Any student who is receiving special education services or has been identified as a student with a disability under the Individuals with Disabilities Act (IDEA) or Section 504 of the Rehabilitation Act, and whose acts are determined by the disciplinary hearing officer to have violated any of the rules, regulations or laws as alleged, shall be referred to an IEP or Section 504 committee. The IEP or Section 504 committee is responsible for determining if the student's conduct is a manifestation of his/her disability and whether such conduct warrants a change in placement or amendments to the Individual Education Plan (IEP) or 504 Plan.

If the IEP or Section 504 committee determines that the student's conduct is a manifestation of the student's disability, the discipline ordered by the disciplinary hearing officer will not be carried out.

If the IEP or Section 504 committee determines that the student's conduct is not a manifestation of the student's disability, it shall determine what services the student shall receive during the student's discipline as determined by the disciplinary hearing officer. If the Section 504 committee determines that the student's conduct is not a manifestation of the student's disability, the student's 504 Plan will be implemented at the new location of educational services if the Disciplinary Hearing Officer recommends alternative school placement. The IEP or Section 504 committee shall also have the authority to consider, recommend and implement any changes in the student's IEP or 504 Plan or educational placement. Nothing in this rule shall alter or adversely affect the rights of students with disabilities under applicable federal and state laws.

Part 3: Tiered Offenses and Disciplinary Responses

Tiered Offenses:

The responsibility cycle included in the code of conduct covers discipline for some more commonly known infractions of the student behavior code. However, parents and school administrators should refer to the remainder of the student code of conduct for more information about specific offenses, and should contact the FAST Administration with questions or concerns.

This cycle cannot anticipate all possible misbehaviors. Unique, serious or multiple offenses may result in more severe consequences. If a student's behavior is a violation of more than one rule, the student may face more severe or "stacked" discipline to reflect these multiple offenses.

Schools should implement positive behavioral supports, as discussed in this code of conduct, and local interventions designed to improve the learning environment by improving student behavior and discipline.

Fulton Academy of Science and Technology grants autonomy to teachers in maintaining a healthy and positive classroom environment. Teachers are given the authority to handle minor behavior infractions disrupting the learning environment.

Where appropriate, local interventions may include the following:

- Classroom interventions (assigned seats, etc.)
- Teacher/student conference
- Restorative Practices
- Timeout for students
- School/parent contact
- School/parent conference
- Guidance Counselor intervention
- Social Worker intervention
- Counseling with School Police Officer and/or other staff

- Student Support Team
- Referral to administrator
- Principal involvement
- Verbal reprimand
- Withdrawal of privileges
- Behavior, Attendance and Academic Contract/Plan for School or Bus
- Before or after school detention (parent responsible for transportation)
- Saturday School (parent responsible for transportation)
- Participation in a school-service project
- Development of a written or graphic representation that reflects understanding of the specific misbehavior, the nature of the expected behavior, and the related character trait(s)
- Conflict mediation
- Peer mediation
- Confiscation (The school is not responsible for electronic devices on school property or at school sponsored events)
- Administrative referral to student services or outside agencies
- Referral to Insight Drug Intervention Program for first time drug or alcohol violations – Middle and High School
- Referral to Stopping Acts of Violence Through Education Program (SAVTE) – Middle and High School
- Suspension from the bus. Students must attend school and the parent(s) must provide transportation
- In-school suspension that includes behavior supports and interventions

Tier I: Minor Acts of Misconduct

Tier I offenses are minor acts of misconduct that interfere with the orderly operation of the classroom, a school function, extracurricular/co-curricular program or approved transportation. The school employee involved should intervene in the misconduct. If further action is necessary, the school employee should refer the student to the school administrator for disciplinary action. After hearing the student's explanation, consulting with staff members as needed and doing any other investigation deemed necessary, the administrator will decide on disciplinary action.

Tier II: Intermediate Acts of Misconduct

Tier II offenses are intermediate acts of misconduct that may include repeated acts of misconduct from Tier 1, acts directed against people or property that do not seriously endanger the health or safety of others and serious disruptions of school order. Unique, serious, or multiple offenses may result in the offense being considered a Tier III offense.

Tier III: Moderate Acts of Misconduct

Tier III offenses are moderate acts of misconduct that place students or staff at serious risk of emotional or physical harm which may include threats to the health, safety, and/or property of others; and other acts of moderate or repeated misconduct. Depending on the severity, the consequences can include a disciplinary hearing referral for long-term suspension/expulsion/ alternative school (except for students in grades K – 2).

Tier IV: Serious Acts of Misconduct

Tier III acts of misconduct are the most serious. These acts may be grounds for expulsion and will result in a mandatory 10-day suspension with consideration for a recommendation for long-term suspension, expulsion and/or assignment to an alternative education program.

COMMUNICATION

Communication is a vital component to the success of each child's education and the school's daily operations. The optimal and preferred method of communication is via email. Teachers are not available by phone during the day but have access to email at various points throughout the school day. The administrative staff is also likely to be away from phones throughout the school day. Therefore, email is a much more efficient and timely mode of communication for all faculty and staff. Please be mindful that teachers are not expected to answer emails during the weekends or holidays.

As outlined in the [FAST Parent and Family Communications & Escalation Policy](#), please direct your initial questions or concerns to your child's teacher, as it is always appropriate to communicate with your child's teacher first. We ask that all concerns with FAST be addressed at FAST before being brought to Fulton County Schools. In addition, if you are in need of parent and teacher conference, please schedule this through your child's teacher. In order to avoid instructional interruptions and to protect teachers' planning times, please do not make classroom visits or stop a teacher before or after school without a conference appointment. You may schedule a conference appointment directly with your teacher by simply sending the teacher an email. For further assistance with communication, you may reference the following flowchart to address your concerns once you have talked to your child's teacher:

WAS YOUR QUESTION ANSWERED?

In reference to school wide announcements and communications, the school administration, faculty, and Governing Board remain committed to open and consistent communication to all families and the community. Official announcements will be sent via email, posted on Powerschool, our school website and/or social media accounts: Twitter & Facebook. It is the responsibility of the parents/guardians and students to stay regularly informed of announcements and upcoming events by checking their email and using our website or social media platforms. Emergency communications may also be sent by text message to parents who have opted in to receive text messages.

FAST UNIFORM POLICY AND DRESS CODE

Students are expected to arrive each day in the approved Fulton Academy of Science and Technology uniform and to practice healthy habits of cleanliness and neatness when preparing for school. Students and parents are expected to honor the uniform policy in order to ensure that valuable instructional time is not interrupted examining potential uniform infractions. Students in violation of the uniform policy will be permitted to call home at the front office for an appropriate change of clothing. It is the responsibility of the parent or guardian to ensure a change of clothing arrives in a timely manner to the school. Please note, students are not permitted to change out of their uniforms during or after school unless they are participating in or attending an after school enrichment event or activity requiring non-uniform clothing. Please be sure to write student's name on all uniform pieces with permanent marker.

The Purpose of a Uniform Policy for FAST is threefold:

1. To keep students' focus on learning
2. To create a sense of community and school spirit
3. To be comfortable

FAST Uniform Policy

We expect students to dress in a manner that promotes quality performance, school spirit and demonstrates the high personal standards we expect from our students. Torn or revealing clothing are not appropriate for school. Clothing should fit the student, it should not be overly tight or baggy. The hem on skirts, shorts, skorts, dresses, and jumpers should not be more than two inches above or below the center of the knee. Shorts may not be cargo style, instead must be plain front with only slash or level pockets. Skirts should be chosen with built in shorts or shorts may be worn underneath as long as they are not visible below the skirt line. Pants may not be cargo style or cropped, must be ankle length, and must sit at the natural waistline. Sweaters, sweatshirts and fleece worn indoors must have the school logo. Coats, hats and gloves may only be worn outside. Shoes must be closed toe and closed heel. Athletic shoes are required on PE days and may be worn every day.

All school functions require students to be in uniform. The Principal and Assistant Principal have final say on any questions of dress and we expect parents and students to heed the advice of the Principal. If there is any question about a student's attire any decision about the acceptability of the dress for school will be the final discretion of the Principal.

We expect our students to look as good on the last day of school as they do on the first day of school, therefore we have chosen Land's End as our official uniform provider for the long lasting consistent quality in their uniform selection. Students in shirts embroidered with the school logo on polos that are not Land's End will be considered not in uniform as these shirts fade and stretch quickly. **Each student is required to have at least one Land's End polo in cobalt blue with the official school logo embroidered by Land's End.** All clothing and accessories on the FAST Lands' End uniform page are acceptable forms of daily wear. Spirit wear sold only by the FAST PTO may be worn daily, except for special occasions when the cobalt blue Land's End polo with the school logo must be worn. These include such events as picture day, field trips, assembly, special visitors to FAST, and when requested by the Principal and staff.

** In situations where uniform purchase would cause undue hardship, parents may contact FAST Business Manager Ron Rhodes for information regarding FAST financial assistance for reasonable accommodations with uniform purchases.*

FAST FAMILY VOLUNTEER AGREEMENT

Because Fulton Academy of Science and Technology is a school developed by the community in existence to serve the community, it is essential that families volunteer to serve the school in various capacities. Therefore, the Governing Board requires that each parent/guardian commit to volunteering 10 hours per school year. Volunteer hours can be logged via the school website. Volunteer opportunities will be announced and coordinated through the Parent Teacher Organization. In addition, **parents/guardians are required to attend the FAST Volunteer Orientation hosted by the Parent Teacher Organization at the beginning of the school year. This orientation will last an hour, and it is mandatory.** Prior to serving, all volunteers must complete the required online Fulton County Schools Volunteer Training. All information is located on the website.

HEALTH & SAFETY

FAST Crisis Management Plan

The health and safety of each individual is priority at Fulton Academy of Science and Technology, and malicious behavior threatening the safety and security of others and the school will not be tolerated. Should an emergency or event occur prompting an evacuation or lock-down, the school will follow the FAST Crisis Management Plan in accordance with Fulton County Schools policy. All faculty and staff will be properly trained to execute the plan before the school year begins. In preparation for a situation, if it were to arise, students will participate in fire drills, severe weather drills, and intruder drills throughout the school year. Fire drills and intruder drills occur monthly, and severe weather drills occur periodically.

In the event of an emergency or evacuation, parents will be notified through available means once the proper protocols outlined in the FAST Crisis Management Plans have been followed. Families will be notified when the designated evacuation spot is determined in cooperation with Fulton County Schools and Roswell Police. Finally, if parents/guardians or visitors are present during a drill or emergency situation, they are required to follow the orders of the FAST Administration during the event regarding the safety protocols outlined in the FAST Crisis Management Plans. This includes a severe weather warning, in which all faculty, staff, students, and visitors must remain inside the building in the designated locations outlined in the FAST Crisis Management Plan. The school will follow Fulton County Schools official recognition of closures and delays due to weather events or other emergencies. If this occurs, parents/guardians will be notified through an email, the FAST website, and our social media accounts.

Emergency Information/Health Conditions/ Chronic Illnesses

Emergency contact and health information should be updated **annually** by the parent or legal guardian within 5 days of the beginning of the new school year (as well as upon entering a Fulton County School) by completing and returning the Emergency Contact Information Form (EMG01) to the school. On the Student Enrollment and /or Emergency Contact Form, please list relatives/friends as emergency contacts for your student in the event you cannot be reached. Please list your best contact information such as a cell phone number. Current contact information and accurate health information enables the school to contact you in case of emergency, accident, or illness. If any information changes during the school year, please contact the school immediately.

It is the parent or legal guardian's responsibility to keep the student's health and contact information (telephone numbers, address etc) updated. The school should be informed if a student has a medical condition or chronic illness, or if a student requires assistance for any medical procedure or treatment. The school should also be informed if a student takes daily medications, has a severe allergy, or if the student has a disability that requires a special diet. **In case of a serious accident or illness at school, your child will be transported by ambulance to an emergency medical facility. The parent/legal guardian is responsible for all expenses and transportation.**

Emergency Preparedness

In the event of an emergency, we want to ensure we are adequately prepared to appropriately care for your student if we had to ***"shelter-in-place"*** or stay at school for an extended period of time. This is a precaution aimed at keeping our students and staff safe during an emergency. If your student requires any medication, especially emergency medications, whether they are scheduled to take it during school hours or not, or if your student requires a special medical procedure, please alert the school clinic so you can plan accordingly. We certainly want to make sure we stockpile (have an adequate supply) any ***emergency medication(s)*** your student

may need if they have to be sheltered-in-place. Should the decision ever be made to shelter-in-place, information will be provided to you from your student's school as well as the district and local authorities. It is important for you to follow instructions from the school district and local authorities so you will know what to do if we are advised to shelter-in-place. Feel free to visit Ready.gov for more information about how you can prepare for an emergency.

By working together, we can strive to ensure the health and wellbeing of every student so that he/she can benefit from the education program. Should you have any questions or need additional information, please contact your Ms. Oddo, the school nurse, or call the Office of Student Health Services at 470-254-2177.

Student Health Policies

We recognize that students may become ill or in need of medical attention while at school, and we are prepared to partner with the parents and students in maintaining the health and wellness of each student. The school will employ a registered nurse, and the clinic will be located beside the front office. Students should inform their teacher if they need to go to the clinic. Simply missing class and failing to notify the teacher could result in an unexcused tardy or absence.

For medication and treatment, Fulton Academy of Science and Technology will follow Fulton County Schools Student Health Services policies. They are outlined below:

Medications

When possible, medication should be taken at home, including all non-essential medications, such as vitamins, herbals, essential oils, and narcotic pain medications. However, if medication must be taken at school, on a field trip or during a "before or after" school chaperoned activity, the following policies and procedures apply: (Fulton County Schools reserves the right to decline administration of nonessential medications).

1. **Authorization for Medication Form** – The parent/legal guardian must complete an authorization and instruction form (located on the FAST website) entitled "AUTHORIZATION TO GIVE MEDICATION AT SCHOOL SHS-1 FORM". **For prescription medication, a physician must also sign the form.** A faxed copy of the form from your doctor's office is acceptable after the parent/legal guardian's signature. All schools have copies of the form on-site for your convenience, or you can access the Student Health Services website to obtain a copy of the form. The school cannot give medications without the authorization form. The same form is used for prescription and nonprescription medications. Medication Authorization Forms are valid for **one school year**. A separate form **MUST** be used for each medication
2. The medication and the authorization form **SHOULD** be taken to the school clinic/office by the parent/legal guardian. However, if this is not possible, the student should be instructed to take the medication and the authorization form directly to the school office/clinic upon arrival to school. **Please instruct your student that under NO circumstances should medication be shown or shared with another student! It is essential for the parent/legal guardian to bring controlled substance medications to the school personally.** Medications that are considered controlled substances by the State of Georgia (this includes medications for ADD/ADHD and prescribed pain medications) should be appropriately stored in the school clinic. **We encourage all medications to be kept in the clinic unless it is an approved emergency medication and the student has permission to carry the medication on his/her person during school hours (See**

paragraph below on “Authorization for Students to Carry Approved Emergency Medication”).

3. Only medication in its ORIGINAL container from the store or pharmacy is accepted. Non-Prescription medications in small-sized container are preferred due to limited storage space. Both prescription and nonprescription medication sent to the school must have current labeling on the container. Medication in containers that have expired labeling **will not** be given to the student. **The medication in the container must MATCH the label. The label must MATCH the student and the instructions on the authorization form. The prescription label on the bottle must be CURRENT.** A new prescription container with correct labeling is required for any dosage change. **The school cannot alter dosages without a new authorization form from you and/or your doctor/healthcare provider.** At the designated time, the student will go to the clinic to take the medication. Assistance/supervision by the school clinic personnel will be given in accordance with the instructions on the authorization form. **Medication is a parental responsibility; therefore, FAST employees will not assume any liability for supervising or administering medication, and FAST retains the privilege of refusing to supervise/assist in administering medication, except where otherwise required by law.**
4. Discontinued medication should be retrieved from the school/office within one week after medication is discontinued. Unused medication should be picked up by the end of the school year. Discontinued or unused medication left in the clinic at the end of the school year will be discarded..

Authorization For Students To Carry A Prescription, Inhaler, Epipen, Insulin, or Other Approved Medication SHS-2 Form

If you have a student who has asthma, a severe allergy or another health-related condition that requires self-administration of medication, or needs to carry an emergency medication (Epipen, Diastat, inhaler, glucagon, etc.), or if a student has an approved legitimate reason to carry a medication on his/her person, you must complete and submit to the school clinic an **Authorization for Students to Carry a Prescription, Inhaler, Epipen, Insulin, or Other Approved Medication SHS-2 Form (located on FAST website)**. This form requires a physician, parent/guardian, and student signature if the medication is a **prescription** medication. You are **strongly encouraged** to keep a “backup” supply of any emergency medications such as an inhaler, Epipen, Diastat, Diabetes medication, etc. in the school clinic. For further instructions, please call or visit your school clinic. **Over-the-Counter (OTC) medications have different requirements. Elementary School students** must store all OTC medications in the clinic, which may only be administered with parental permission (**use form SHS-1**); **Middle School students** may carry **Fulton County approved medications** with them during the school day, on field trips or during other school-related activities, if parental permission is provided in advance on the district approved form (**Form SHS-2**).

→ *Fulton County approved medications: acetaminophen, antacids, aspirin, cough or throat lozenges, ibuprofen, midol and oral*

Student Illness/Injury

Students who are sick, have a fever greater than 100.4 orally and/or may have a contagious illness (potential or actual) **MUST NOT** be sent to school. In order to return to school, a student should be free of fever, vomiting and diarrhea for at least 24 hours/a school day, and not require medications to reduce fever. In some cases, students must be cleared by a healthcare provider before returning to school. In addition, there may be other health issues when the student may not return to school unless cleared by a healthcare provider and a note must be provided (i.e. contagious illnesses or chronic diarrhea).

When a student becomes ill at school, has a fever, a potential contagious/communicable illness or a more serious health problem while at school, the parent/guardian will be notified to pick-up their child immediately. **The parent/guardian MUST ARRANGE for the student to be taken home.** A note from a healthcare provider may be requested by the school before your child can return to school.

Student Accident Insurance

Student Accident Insurance can be purchased through Fulton County Schools. The insurance covers accidents during school time (School Time Coverage) or 24-hours a day (24-Hour Round The Clock Coverage). There are currently three plan options: Premier, Preferred, and Basic Options. For more information, contact the Risk Management Department at 470-254-2180

Immunizations

For enrollment in Fulton County Schools System, **ALL** certificates of immunization must be marked **“Complete for Attendance”** or **have a future expiration date**. Expired certificates are unacceptable. ***Effective July 1, 2014***, all 7th grade students who were born on or after January 1, 2002 and for new students grade 8-12 who are entering into a Georgia school for the first time or entering after having been absent from a Georgia school for more than twelve months (or one school year) will be required to have 1 dose of Tdap and 1 dose of Meningococcal Vaccine. There are also specific immunization requirements for Pre-K, Kindergarten, Rising Sixth Graders and all new students. Please contact your healthcare provider or local health department if you have questions. A detailed description of the immunization policies and changes can be found at <http://dph.georgia.gov/vaccines> -children and can also be found on Fulton County’s website at www.fultonschools.org . **The parent/guardian is responsible for securing and maintaining a copy of the mandated Georgia Public Health 3231 Immunization Form, and the Vision, Hearing, Dental and Nutritional Screening Form 3300.** Students who are not compliant with Georgia’s immunization requirements will be excluded from school until the appropriate or updated certificate/form is submitted as specified by law.

INSTRUCTIONAL POLICIES

Driven by our mission, Fulton Academy of Science and Technology classrooms are deeply rooted in project based learning, inquiry, and innovation. Teachers will outline their assessment policies, resources, and late work policies in detail in their course syllabi at the beginning of the school year. Please be advised that classwork and homework may be assigned at the discretion of the teacher on weeknights and/or weekends in order to enhance learning opportunities.

Late Work Policy* **UPDATED*

All students are expected to complete assignments and turn work in at the beginning of class on the due date or at the discretion of the teacher. If a student does not turn in an assignment on the due date, he/she can submit it by the next school day, along with a written explanation of why it is late. A 10% minimum deduction will be calculated before the late work is graded. A student may potentially earn up to a maximum of 90% credit for late work at the discretion of the teacher. For every additional day, that an assignment is late, another 10 points will be taken off. If the homework is not turned in after a week, the student will receive a zero.

Absent /Make Up Policy

Missing school does not eliminate a student’s classroom and assignment responsibilities. Students will have the same number of days they missed school to make-up their assignments. It is the responsibility of the students and parents to check teacher web pages and collect missed assignments. Parents should not email or call the

front office and teachers regarding assignments, unless clarification is needed for an assignment or information posted on the teacher's web page. Long term absences should be communicated to the student's teachers, and assignments given prior to a long term absence will result in the assignment being due on the original due date or the first day back to school for the student.

Zero Policy **UPDATED**

Student ownership of learning is a primary goal at Fulton Academy of Science and Technology and completing assignments in a timely manner is one aspect of achieving this goal. Because we value the learning process at FAST, and we recognize that a grade should be a reflection of a student's learning, a student missing an assignment will not be given a zero, but will be required to make up the missing work during a time assigned by the teacher. It is only if the student continually ignores the assignment that a zero will be assigned.

GRADING WEIGHTS **NEW**

When teachers enter grades, they are weighted. Formative assessment typically covers classwork, in class projects, and quizzes while summative assessment mostly refers to tests and major projects. The weighting of our grades reflects the school's belief that we learn more from the ongoing process of learning than from end of unit testing. There is a place for both forms of evaluation and we take into account age level, subjects, and content.

GRADE	SUMMATIVE	FORMATIVE	HOMEWORK	FINAL PROJECT
K	20%	80%		
1	30%	70%		
2	40%	60%		
2 Second Semester	30%	60%	10%

Capstones 2nd	25%	25%		50%
Coding-7th/8th	40%	60%		

LUNCH & NUTRITION **NEW**

Food services will be provided by Atlanta Lunch Co. on a pre-ordered basis. Students may also bring a healthy lunch from home. FAST is committed to creating a healthy and productive learning environment for our

students. Certain foods such as carbonated soft drinks and candy contain no nutritional value and are therefore not appropriate foods at school. **Please avoid packing candy. Unfortunately, such items will be taken away.**

In an effort to maximize instructional time and create a more optimal learning environment, and in response to the presence of food-based allergies, families should refrain from sending in outside food/candy/drinks to share with the class. **FAST does not allow cakes and snacks to be brought in for birthdays.** For class celebrations that do involve food, teachers will work with room parents to ensure that healthy options are available at these parties.

The goals of lunch are to allow students the opportunity to take a break from the day while eating their food and to provide opportunities to socialize. For that reason, TV, Movies, electronic devices, and laptops may not be used. Board games and group card games are acceptable after meals are completed. This would also apply to snack time.

FAST is a nut safe environment. Because students will be eating in their classrooms this year, **we ask families not to send items with nuts in them** in order not to impact children with allergies.

We strive to ensure the safety of those children with severe allergies. In recognition of the fact that certain students may require nuts in their diet for health reasons, their parents may contact the nurse and request a waiver from their doctor indicating the need to have nuts in the child's basis at lunch. Once cleared by the nurse, these students will be placed in rooms that do not have any children with allergies. Because students share classrooms, all lunch/snack foods will be deposited in the hallway trash cans and desks wiped down. To foster thoughtfulness, the class in each division that keeps their room the cleanest for the month will be rewarded with a movie and the Clean Rocket Award.

Parents who wish to eat lunch with their children should notify the teacher. They are asked to abide by the nut free friendly and no sweets policies. When the Innovation Hall is available, parents may eat in that room for lunch.

We encourage eligible families to apply for lunch subsidies. There is no way to identify those receiving support and children are guaranteed a healthy meal.

LOST & FOUND NEW

Lost and Found items will be placed in bins in the alcove entrance to Innovation Hall. Students will be directed to this location to retrieve lost clothing. Once a month, any items with student names will be pulled out and returned to the students. Any FAST clothing without names will be donated to the PTO Nearly Used store. All unmarked non-FAST clothing will be given to a homeless shelter by the 5th of each month. Families will be reminded of this lost and found calendar on a monthly basis. **WE STRONGLY RECOMMEND THAT YOU PLACE YOUR CHILD'S NAME ON THE INSIDE OF ANY GARMENT WORN TO SCHOOL.**

PARENT TEACHER ORGANIZATION

The Parent Teacher Organizer (PTO) is responsible for coordinating volunteer opportunities for families at Fulton Academy of Science and Technology. In addition, the PTO will host several committees for parents to be involved with including, but not limited to, fundraising, events, and celebrations. PTO supports many important programs such as teacher appreciation, Fall Festival, teacher grants, and class parties. It is dependent on the annual membership drive and all staff and families are strongly encouraged to join. Please reference the school website for more information regarding the PTO and getting involved.

STUDENT RESOURCES & SUPPLY LIST

The official school supply can be found on the school website, www.fastk8.org . Families may purchase school supplies through AmazonSmile (be sure to select FAST as your supporting charity) or at a local store. Be sure to write your student's name on backpacks, lunch boxes, and all personal belongings.

Please also note that specific teachers reserve the right to add resources and supply items to their required materials as needed. Teachers will communicate this once school begins.

STUDENT SERVICES & SUPPORT

Academic Support

Fulton Academy of Science and Technology celebrates the diversity of learning styles our students possess. The special education teachers are responsible for coordinating additional services and resources for a student in need of support in and out of the classroom.

Policies and Procedures for reporting child abuse and neglect

The job of protecting children starts in the community. While certain people are required by law to report child maltreatment, anyone can make a report of suspected abuse. The sooner the authorities know about a child, the faster they can move to help.

As of July 1, 2012, Georgia law states that all school volunteers are now MANDATED REPORTERS and are required to report any suspected child abuse or neglect in accordance with FAST's Protocol for Reporting Child Abuse and Neglect. All suspected child abuse must be immediately (within 24 hours) reported to the Fulton County Department of Family and Children Services (DFCS) by calling 4046994399.

****If a child is in imminent danger, then call 911.**

The mandated reporter must complete the Child Abuse Reporting Form and immediately communicate the report to the BOTH of the following:

1. Department of Family and Child Services (DFCS)
2. Principal/Immediate Supervisor of the school or facility.
3. School Counselor

Remember...

Suspicion of abuse is all that is necessary to make a report.

If you are not sure whether a report should be made, you should report it.

You are protected by State immunity as long as you have made a report in good faith. Knowingly and willfully failing to make a report of abuse is a misdemeanor in Georgia.

If a child shares what possibly could be abuse, don't try to get all the details.

- Listen attentively and ask him/her if he/she wants to say anything else.
- Believe in the child and be supportive.
- If she or he chooses to say nothing more, then proceed to notify the school and DFCS.
- Write down the actual words used in the disclosure and your interaction with the child.

TAG Services

The Talented and Gifted (TAG) Program at Fulton Academy of Science and Technology is designed to achieve the school mission of creating and nurturing innovators, problem solvers and leaders, while following the guidelines set forth by Fulton County Schools and Georgia Department of Education. Gifted instruction will be delivered to kindergarten through 5th grade in a daily model during science class. Middle school students will receive gifted instruction in designated TAG subject specific classes.

TAG Screening

Notification to parents of the screening and referral process for gifted services

The consideration for gifted services may be reported or automatic as defined by the GaDOE Resource Manual for Gifted Education Services. FAST will follow the The Fulton County School System Policy regarding screening all students for eligibility for gifted services twice a year. Fulton County uses a systematic approach to identify highly capable students who may qualify for gifted services.

A. Automatic Screening

Identifies students who score at specified levels on a norm-referenced test as defined in the GaDOE Resource Manual for Gifted Education Services, for further assessment to determine eligibility for gifted services. At the beginning of the school year, TAG teachers review previous year's test scores.

B. Standardized Tests

Students must have a minimum of an 85th percentile and a 90th percentile in two of the three areas on a standardized, nationally norm-referenced achievement test: Total Reading, Total Math, and Complete Battery.

C. Reported Referrals

A student may be referred for consideration for gifted education services by teachers, counselors, administrators, parents or guardians, peers, self, and other individuals with knowledge of the student's abilities. All referrals are completed through the two system- level screening and referral processes each year. All referrals are first reviewed by the School Eligibility Team to consider if existing information warrants a formal testing for eligibility.

D. Classroom Screening

Local schools select a two-week period from January-February to review all students in the school (Grades K-11). Classroom teachers use the Characteristics Instrument for Screening Students (CISS) to identify students with superior abilities in five or more of the following areas: motivation, interests, communications skills, problem-solving abilities, memory, inquiry, insight, reasoning, creativity, and humor/

Students who meet either the automatic screening OR classroom screening criteria AND who have supporting data gathered from test history, products, and/or advanced content levels are referred for gifted placement testing.

Once referred to testing:

- A. Parents receive the Parent Notification for Testing Consent Form.
- B. Student is tested for the gifted program.
- C. Parents receive test results.
- D. If state eligibility is determined, students are placed in the gifted program with parental consent.
- E. Parents may request to view their child's screening results. For more complete information regarding Fulton County Schools Gifted Services, please visit the Advanced Studies page at :

TECHNOLOGY & DEVICES

Technology is a vital component in fulfilling our mission at Fulton Academy of Science and Technology. Because we recognize that technology enhances learning, we value and encourage its use throughout the school in accordance with the FAST Technology Honor Agreement. Students and parents are required to sign this at the beginning of the school year (agreement form is located on page 6 of the handbook), pledging their commitment in upholding our technology values.

Device damage fees: Any student who has been issued a 1 to 1 device will be assessed a \$50 replacement fee for any damage to their device through misuse or inattention. Students will continue to use the damaged device until the fee is paid. Damage to other school devices/ technology will be assessed on a case by case basis.

Please be advised: In an effort to be proactive with today's growing social and interactive technology trends (i.e. cell phones, smart watches, etc.), this policy will help increase awareness and training while putting into practice social and professional etiquette relating to personal electronic devices. ***Violating the established policy will result in the following:***

- First offense - reminder and redirection that the phone/device(etc.) must be put away/ not in use.
- Second offense - the phone/device is taken away until the end of the day.
- Third offense - the phone/device must be picked up by a parent or guardian at the end of the school day.
- Fourth offense - either the student is in school suspension for one day or the phone/device is taken away for five school days (parent's choice).
- Any further infractions will result in the student not having a cell phone on school grounds during the school day. Furthermore, students who do not adhere to these guidelines will be subjected to other disciplinary actions.

8th graders may use cell phones at recess, lunch, and in the cafeteria in the morning. They may use phones during instruction only if this is written into your lesson plan for a specific reason. Otherwise they should be in their backpacks.

The rule for all other students is that they must have their cell phone in their backpacks from the time they leave their cars/bus in the morning until the time they get into their cars to go home.

TUTORING POLICY **NEW**

Students are tutored for a variety of reasons at FAST. Tutoring is usually suggested by administrators but may also be recommended by outside professionals working with students or independently initiated by parents. Once a decision is made for outside tutoring, the tutor must contact the Assistant Principal to discuss instructional space, times of sessions and information pertinent to the students' tutoring before sessions are arranged.

FAST holds those involved with the education of its students and its general reputation in high regard. The school believes that the establishment of certain policies is necessary to avoid potential conflicts of interest and misunderstanding, and to eliminate conclusions about the responsibilities of personnel and parents serving in this capacity to the school's student body, teachers and parents.

No faculty member may provide tutoring services for compensation to students who will be entering the grade to which the teacher is assigned or whom are currently enrolled in the same party.

VENDOR POLICY **NEW**

The school will not display materials for stores/businesses giving things away unless they are a PTO sponsor entitled to one free promotion. Any coupons for teachers will be placed in the staff lounge.

Solicitations for donations (aside from school-related) may not be made over the school email system by employees or parents.

VISITOR POLICY

We appreciate having visitors at Fulton Academy of Science and Technology as we love to showcase the exceptional learning environments taking place throughout the school. All visitors must sign in at the front office in the Innovation Hall, and they are required to wear the printed visitor's sticker given upon receipt of registration at the front desk. Access to the Student Hall is restricted, and visitors must be escorted by a FAST staff member to gain entry into the building.
