

Fulton Academy of Science & Technology

Fulton Academy of Science and Technology is seeking a talented third-grade teacher to join our team. FAST is a charter school in the Fulton County school system. The school is has been recently been STEM certified, accredited, and charter renewed.

NOTE: Serious candidates will need to go to www.fastk8.org to download and submit the school application as well as complete the Indeed assessment.

About Us: Serving a diverse population of students in K-8, the mission of Fulton Academy of Science and Technology (FAST) is to provide an education based on innovation, design thinking and problem-solving with an emphasis on science, technology, engineering, and mathematics (STEM) to children in the Fulton County community. FAST's goal is to prepare children in a way that provides them a foundation to be creative innovators and problem solvers so they are prepared for success and leadership in our rapidly changing world.

By applying our academic focus on STEM and innovation, children will develop the foundations for learning and thinking that prepares them for success in post-secondary education and careers.

Fulton Academy of Science and Technology is committed to a)Teaching the skills and habits necessary for success in the areas of STEM b) Recruiting, training, and retaining excellent teachers c)Building partnerships between the school, parents, and the wider community

About You: As a teacher you will engage in:

- Developing age and content appropriate lessons aligned to the FAST core curriculum
Providing a classroom environment that promotes active learning in subject area
- Bringing innovation in the form of Genius Hour into your classroom
- Collaborating with other team members and administration
- Helping students gain critical, creative and problem-solving skills
- Supporting and participating in school-wide activities
- Ensuring classroom is attractive, safe, and conducive for learning
- Effectively communicating with parents and caregivers
- Supporting FAST's mission and vision
- Creating a positive educational climate

Education and Training:

- A minimum of four year Bachelor's degree required.
- A degree in education
- Valid Georgia Teaching Certification in applicable field required or must be eligible to hold a valid Georgia Teaching Certificate
- Two years of demonstrated success as a full-time elementary classroom teacher preferred

Compensation: As part of the FAST team, you will enjoy a full-time position with a competitive salary, medical, dental, and vision benefits, while working in a supportive and collaborative environment.

Applications will be reviewed as received. Please note that due to the high volume of applicants, we will only notify those who meet our selection criteria. Fulton Academy of Science and Technology is an Equal Opportunity Employer that does not discriminate on the basis of race, color, religion, sex, age, sexual orientation, gender identity and/or expression, national origin, veteran status, or disability in relation to our recruiting, hiring, and promoting practices.

The statements contained in this position description are not necessarily all-inclusive, additional duties and responsibilities may be assigned.
