MONDAY 3:45 - 4:45 pm	TUESDAY 3:45 - 4:45 pm	WEDNESDAY 3:45 - 4:45 pm	THURSDAY 3:45 - 4:45 pm
<p>FAST TEACHER MS. CRISTANCHO'S BEGINNING SPANISH 11 sessions 1st Semester: Aug 29 - Nov 28, 2022 Grades: KK - 3rd</p> <p>Ms. Cristancho, FAST kindergarten paraprofessional takes students on a fun and educational exploration of the Spanish language and culture. Through immersion into the language, people, art and music, students gain appreciation of Spanish heritage while learning to speak the language. Students will be provided Carson Dellosa Complete Book of Spanish Workbook for Kids, School Zone Bilingual Beginning Basic Site Words Flash Cards, as well as other materials.</p> <p>Register: email: ASPire@fastk8.org or call Julie Fischer at 678-977-6303</p> <p>\$235 (materials included)</p>	<p>FAST TEACHER MR. MCKINLEY MARINE BIOLOGY 12 sessions 1st Semester: Aug 30 - Nov 29, 2022 Grades: 3rd - 8th</p> <p>Mr. McKinley, FAST 6th grade science teacher will provide students an appreciation of oceans in their daily lives. Students will learn about threats facing oceans around the globe as well as the 100 miles of Georgia coastline. Students will explore conservation, stewardship, preserving biodiversity, sustainability, and resource management. Modules from the Marine Conservation Science & Policy Curriculum (MCS&P) will provide practical, hands-on marine science education. Self-initiated research opportunities will be available, and dissection of cartilaginous fish/shark, bony fish, and invertebrate will be included. Culmination of the club will end with a guided tour of the Georgia Aquarium and Behind-the-Seas tour led by Mr. McKinley, who has over 14 years experience as a senior environmental educator and sleeperover guide at the aquarium.</p> <p>Register: email: ASPire@fastk8.org or call Julie Fischer at 678-977-6303</p> <p>\$385 (2 GA Aquarium tickets included per student)</p>	<p>CHESS ATLANTA CHESS GROUPS BASED ON SKILL LEVEL 13 sessions 1st Semester: Aug 31 - Nov 30, 2022 Grades: 1st - 8th</p> <p>International chess champion, Carlos Perdomo offers students instruction based on individual skill level in a fun, yet structured environment. Students learn effective tactics, how to use a chess clock, how to play against a computer, chess puzzles, etc. Students have the opportunity to play in local tournaments: Standard Chess, Bughouse (team chess), and Blitz (speed chess)! Awards are given for Class Champion, Most Improved, and Sportsmanship. All students build a sense of motivation and accomplishment.</p> <p>Register: email: info@chessatlanta.com or call Carlos Perdomo at 770-845-0890</p> <p>\$280</p>	<p>KALASHRAMUSA INDIAN CLASSICAL DANCE - KATHAK 12 sessions Sept. 1 - Dec. 1, 2022 Grades: KK 8th</p> <p>KalashramUSA School of Kathak Dance & Performing Arts is an institution dedicated to reserve and promote cultural heritage by teaching and performing the North Indian classical dance "Kathak" of Lucknow tradition in a fun and safe learning environment for students of all ages.</p> <p>Register: https://kalashramusa.org/registration/ email: kalashramusa@gmail.com or call Anurag Sharma at 678-799-1405</p> <p>\$340</p>

This is the class for them! Hip hop/jazz is a high energy, engaging class that will get your child moving to the beat, and learning hip hop and jazz techniques. The classes focus on fitness, movement, and FUN dance moves, set to age appropriate music. A performance will be held on the last day of class for family and friends!</p> <p>Register: email: melsalati@yahoo.com Venmo payment @Mel-Salcedo (phone number below) or call Mel Salcedo 770-595-4054</p> <p>\$165</p>	<p>STARSTRUCK PERFORMING ARTS MUSICAL THEATER / ACTING / IMPROV 13 sessions 1st Semester: Aug 31 - Nov 30, 2022 Grades: KK - 8th</p> <p>Was your child born to be a star? Come join the fun and singing, dancing, and acting into the hearts of the audience! Students will perform songs, dances and scenes from kid-friendly musicals such as Aladdin, Little Mermaid, and Shrek the Musical! Classes will also incorporate popular improvisational acting games to foster creativity and confidence. This is the perfect outlet for both the extrovert to express creativity, and the more reserved students to build confidence through public speaking, in an encouraging and positive environment. A performance will be held on the last day of class for family and friends!</p> <p>Register: email: melsalati@yahoo.com Venmo payment @Mel-Salcedo (phone number below) or call Mel Salcedo 770-595-4054</p> <p>\$165</p>	<p>LEVEL3 YOGA AND MINDEFULNESS 12 sessions Sept. 1 - Dec. 1, 2022 Grades: KK 8th</p> <p>Our kids Yoga and Mindfulness club is the perfect way for kids to practice valuable skills that lasts a lifetime. We balance the serious benefits of yoga and meditation with a lighthearted, playful approach. Each class teaches kid-friendly yoga poses, games, mindset meditations, and guided breathing. Children who develop social-emotional learning-based mindfulness techniques learn to address their personal mental help, have less anxiety, sleep better, can focus and concentrate longer. These students get along better with others and have a deep and true sense of who they are in the world.</p> <p>Register: https://www.level3yoga.com/kids-yoga website: audrey@level3yoga.com or call Audrey Cash at 404-606-1716</p> <p>\$245 (yoga mat included)</p>
<p>STARSTRUCK PERFORMING ARTS CHEER and POM 11 sessions 1st Semester: Aug 29 - Nov 28, 2022 Grades: KK - 5th</p> <p>Get into the spirit and show your FAST pride! Students will learn a variety of age-appropriate cheers, chants, and dances that express their excitement about being a FAST student! Teambuilding games and activities will be incorporated, with an emphasis on working together and supporting one another. Students will also enjoy crafts related to cheer and school spirit. A performance will be held on the last day of class for family and friends!</p> <p>Register: email: melsalati@yahoo.com Venmo payment @Mel-Salcedo (phone number below) or call Mel Salcedo 770-595-4054</p> <p>\$165</p>	<p>DISCOVER SCIENCE CENTER EXPERIMENTS WITH ELEMENTS 13 sessions 1st Semester: Aug 31 - Nov 30, 2022 Grades: 1st - 5th</p> <p>Experiments with Elements is a science enrichment program aimed at children interested in conducting experiments and learning about chemistry. Each class, developed by scientists and educators, includes knowledge development and hands-on learning activities. Every week we cover a new topic, including and introduction to the periodic table (yes! elementary school students can learn about the periodic table!), learning how to use scientific tools, experimenting with simple reactions, and understanding the chemistry of slime.</p> <p>Register: https://discoversciencecenter.com/after-school-programs/ email: info@discoversciencecenter.com or call Christina St. Martin 770-641-9336</p> <p>\$240</p>		
<p>IVY BRIDGE ACADEMY PUBLIC SPEAKING & DEBATE 11 sessions 1st Semester: Aug 29 - Nov 28, 2022 Grades: 3rd - 8th</p> <p>Ivy Bridge Academy club offers students a chance to learn public speaking and debate techniques by exploring current events. Students enhance their research skills, critical thinking, organizational skills, persuasion tactics, and information processing by learning about both sides of an issue. Students present a polished speech before their peers and develop vocal variety, articulation and voice projection. Students improve their ability to form balanced, informed arguments, reasoning, and evidence. Students gain increased confidence, writing skills, vocabulary, information processing, and open-mindedness.</p> <p>Register: https://ivydebate.com/academic-camps/school-debate-program-fulton-academy-science-technology/ or call Christy Noll 404-414-0356</p> <p>\$365 (Materials Included)</p>			
<p>ACCELA EDUCATION CANVAS ART 11 sessions 1st Semester: Aug 29 - Nov 28, 2022 Grades: KK - 8th</p> <p>Accela Art programs have the ability to develop the visual spatial skills in children, and allows for development of their skills in how to interpret and use visual information. All of our art work is done on canvas using mixed media, watercolors and acrylic paints and the child follows guided instructions while learning to focus on the details, hand eye coordination, problem solving skills and building confidence.</p> <p>Register: www.accelaeducation.com email: rama@accelaeducation.com or call Rama Sharma 404-384-1061</p> <p>\$360 (All Materials Included)</p>
