<p>Accela Art programs have the ability to develop the visual spatial skills in children, and allows for development of their skills in how to interpret and use visual information. All of our art work is done on canvas using mixed media, watercolors and acrylic paints and the child follows guided instructions while learning to focus on the details, hand eye coordination, problem solving skills and building confidence.</p> <p align="center">Register: www.accelaeducation.com email: rama@accelaeducation.com or call Rama Sharma 404-384-1061</p> <p align="center">\$315 (materials included)</p>	<p>Mr. McKinley, FAST 6th grade science teacher will provide students with modules from the NOAA Enrichment in Marine Sciences and Oceanography (NEMO) Curriculum. The NEMO program has a curriculum with 23 lessons in marine science, biology, chemistry, geology, physics, technology, and marine policy that can be used to support a club such as mine. Some of the modules he will be using will be: Ocean Exploration, Ocean Layers 1 and 2, Currents, Tides, Waves, Plate Tectonics, Invertebrates, Vertebrates 1 and 2, Marine Ecosystems, Technology, and Marine Policy. Mr. McKinley will also draw on some of the curriculum and activities from his 14+ years as a senior environmental educator/sleepover guide at Georgia Aquarium. Culmination of this club will end with a dissection of a shark pup, guided tour around Georgia Aquarium and its behind-the-scenes areas as well as an animal encounter.</p> <p align="center">Register: https://form.jotform.com/223404424949155 Email: tatiane.smith@fastk8.org</p> <p align="center">\$385 (2 GA Aquarium tickets included per student)</p>	<p>Student will learn how to write, shoot and edit their own short films. Students will also learn about the history of filmmaking with Mr. Jayson and Mr.Farley. Each session students will get to learn about specific detail about lighting,sound,writing,directing and editing. At the end of the year students will get to show their work to FAST in the school's first ever film festival!</p> <p align="center">Filmmaking Screenwriting Cinematography Digital Editing Documentary Filmmaking Producing 3D Animation & Visual Effects Photography Broadcast Journalism</p> <p align="center">Register: https://form.jotform.com/223404424949155 5 Email: tatiane.smith@fastk8.org</p> <p align="center">\$265 (material/supplies included)</p>	<p>KalashramUSA School of Kathak Dance & Performing Arts is an institution dedicated to reserve and promote cultural heritage by teaching and performing the North Indian classical dance "Kathak" of Lucknow tradition in a fun and safe learning environment for students of all ages.</p> <p align="center">Register: https://kalashramusa.org/registration/ email: kalashramusa@gmail.com or call Anurag Sharma at 678-799-1405</p> <p align="center">\$340</p>
