

MONDAY 3:45 - 4:45 pm	TUESDAY 3:45 - 4:45 pm	WEDNESDAY 3:45 - 4:45 pm	THURSDAY 3:45 - 4:45 pm
<p style="text-align: center;">IVY BRIDGE ACADEMY PUBLIC SPEAKING & DEBATE 10 sessions 2nd Semester: Feb 6 - May 1, 2023 Grades: 3rd - 8th</p> <p>Ivy Bridge Academy club offers students a chance to learn public speaking and debate techniques by exploring current events. Students enhance their research skills, critical thinking, organizational skills, persuasion tactics, and information processing by learning about both sides of an issue. Students present a polished speech before their peers and develop vocal variety, articulation and voice projection. Students improve their ability to form balanced, informed arguments, reasoning, and evidence. Students gain increased confidence, writing skills, vocabulary, information processing, and open-mindedness.</p> <p style="text-align: center;">Register: https://ivydebate.com/academic-camps/school-debate-program-fulton-academy-science-technology/ or call Christy Noll 404-414-0356 \$300 (Materials Included)</p>		<p style="text-align: center;">DISCOVER SCIENCE CENTER MINI MED SCHOOL 12 sessions 2nd Semester: Feb 8 - May 3, 2023 Grades: 1st - 5th "MINI MED SCHOOL"</p> <p>MINI-MED SCHOOL is an after-school enrichment program aimed at children interested in learning about the tools doctors use, study how our bodies work, use microscopes to see what different cells look like, and investigate real hearts, kidneys and brains. Each class involves hands-on experiments and activities developed by scientists and educators.</p> <p style="text-align: center;">Register: https://discoversciencecenter.com/after-school-programs/ email: info@discoversciencecenter.com or call Christina St. Martin 770-641-9336 \$240</p>	<p style="text-align: center;">FAST TEACHER MR. HENDRY FAST MUSIC CLUB 11 sessions 2nd Semester: Feb 9 - May 4, 2023 Grades: 6TH - 8th</p> <p>Mr. Hendry, FAST Specials Teacher will provide a club called Fast Music Club. This club is an after-school enrichment program aimed at children interested to learn, practice, and perform music along side other music minded students. This club will be a performance based club that is going to focus on learning and enjoying music through the process of live performing. We will have 3-4 performances this semester, where students will be playing a variety of instruments in a variety of music styles in small and large ensembles. This club is for all middle school, whether they cannot read, play, or sing music or if they have been playing for years. Music is meant to be shared so join the FAST Music Club and let's go out and share some great music</p> <p style="text-align: center;">Register: https://form.jotform.com/223404424949155 Email: tatiane.smith@fastk8.org \$290(materials included)</p>
